

Abide Leaders Guide

Week 5: Being Led by the Holy Spirit

March 1st, 2026

1. Follow up

Ask your group if they tried a core practice last week and how it went. Ask them if they are seeing any fruit, internal or external, from applying things from the Abide series so far.

2. Normalize the learning process

Many people feel unsure about hearing the Holy Spirit. Encourage them that Spirit-led living grows over time through daily surrender.

3. Keep Jesus at the center

Remind the group that the Spirit's work always leads to Christlikeness, humility, and obedience—not hype or instability.

4. Encourage small steps of obedience

Challenge each person to follow one prompting this week. Growth happens not in hearing alone but in responding.
